

## ***FIRST ANNOUNCEMENT***

### **Next Generation Networking Seminar**

November 30, 2022

14:00-17:30

Roche Auditorium, Grenzacherstrasse 124, Bau 92

This meeting will be the first of a series of meetings we plan for this and next year. It is specifically dedicated to supporting the next generation of statisticians and quantitative scientists in the pharmaceutical industry with a focus on soft skills, career development and networking. The agenda will include talks and interactive sessions, as well as a networking Aperero at the end.

Supporting the development of the next generation of statisticians, quantitative scientists and future leaders is key to driving quantitative excellence and interdisciplinary beyond the project and methodological work inside and outside of our companies, as well as increasing the visibility of our work.

**Organizing committee:** Antonella Mazzei, Joana Marques Barros, Kristina Weber, Lukas Andreas Widmer, Martina Raggi, Muriel Buri, Youyou Hu, Olympia Papachristofi, Hans Ulrich Burger.

**A detailed agenda will follow soon.**

#### **Type of event:**

This is an in-person event only

**Participation is free of charge**

#### **Registration**
